

## ACHF Mid-century Modern Tour of Homes After Party

Cocktail Party at 189 Fortson Circle

### ***Shaken not Stirred.***

Really, darling, shaken not stirred! To celebrate Athens' 50's and 60's architectural design era in the greater Five Points neighborhood, please join us for martinis and spritzes, poolside at the mid-century modernist home of artists Didi Dunphy and Jim Barsness. Listen to 1950's lounge music poolside, spun by Lunar Landers while sipping cocktails and snacking on canapés. Tour the house, splendid with original cabinetry, interior brick and that wonderful open floor plan; visit the studios to view paintings, drawings as well as custom contemporary furnishings; and enjoy the welcoming and friendly company.

Happy 50<sup>th</sup> to the Athens-Clarke Heritage Foundation!
